Smoke On The Mountain

January 13th – April 29th

The most requested show at The Barn. Let us take you back to a simpler time, 1938, where you become the congregation of Mount Pleasant Church in North Carolina. Pastor Oglethorpe is determined to move his flock into the "modern world" by inviting the Singing Sanders Family to join him. The musical talent is surpassed only by the side splitting hilarity of these characters. You have at least one of them in your own family! It's no surprise why this show has become one of the most produced shows in the country!
